

Spring 2025 Newsletter

Dear All

As the spring term draws to a close it is a chance to share with you some of the many achievements of our students and the exciting events that they have participated in.

1 M&M Theatrical Productions

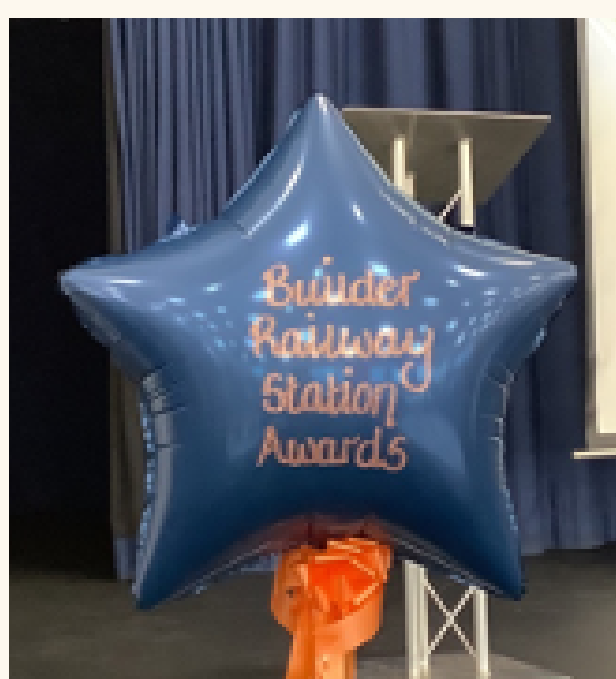

In January the students were treated to a performance of Beauty & The Beast by M&M Theatrical Productions. This was a great afternoon, enjoyed by all as the audience sang and danced along with the performers. We are extremely grateful to the charity Happy Days who once again funded this event for school.

2

Continuing with performances a group of students from across the school were lucky enough to visit Birmingham, Symphony Hall to listen to an orchestral version of The Wizard of Oz.

3

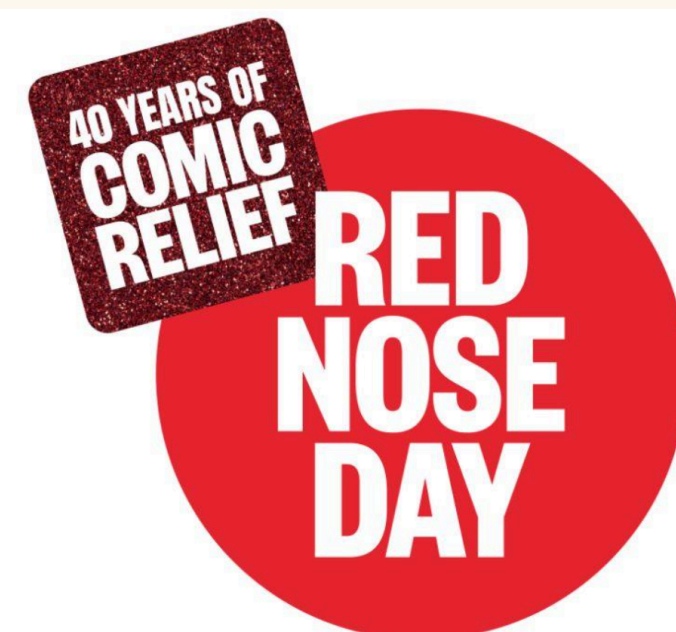

Congratulations to U5 students who took part in a project to design a next generation train station for 2030. We are proud to share that due to their creative ideas and designs the group won the prize for the most customer centred design demonstrating their awareness of the needs of others in the community. The class had a great day out at Walsall Football club for the awards ceremony.

4

European Disability Golf Association. A number of students from all year groups had the chance to take part in an exciting golf adventure. We were honoured to have Johnny Reay, a world class disability golfer in school on several occasions to support the students learn to play golf with specially adapted equipment. Once they had developed their skills, they then visited Stoneleigh Golf course where they played on a Par 3 Course. This experience was funded by the Justin & Kate Rose foundation so we are very appreciative of their generosity. School was gifted the golf equipment so we are looking forward to making the sport part of our curriculum.

5

Red Nose Day, 21st March. This is an annual celebration organised by the school council. Classes engaged in a variety of fun activities during the morning, everyone attended the Red Café for a healthy treat and then in the afternoon there was a fun show, "I'm A Teacher Get Me Out Of Here", much to the amusement of the audience Franck was forced to eat some unsavory things with Rachel finding she was the recipient of a number of shaving foam pies! Thank you for your donations.

6 Going to DJ school

Budding DJs have been working alongside a local professional DJ this half term to learn the tricks of the trade. On the last day of term they will be hosting a disco for the whole school to share their new talents and keep everyone entertained.

WORLD
**BOOK
DAY**
6 MARCH 2025

The theme for this year's world book day was READ YOUR WAY. Students explored the different ways we access books and reading material such as audio books, sensory stories, social stories as well as bringing in their favourite book to share with friends. Some classes joined an interactive live sensory session via zoom. We had some great costumes on the days as students and staff came to school dressed as their favorite story characters.

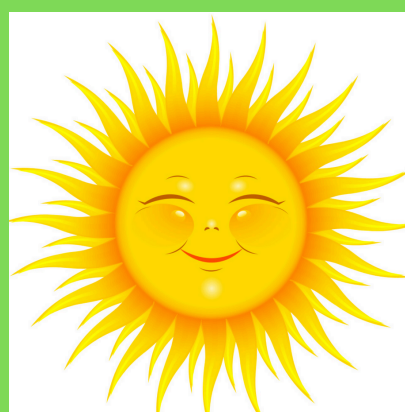

7

This year was the first time school took part in the Big Spring Clean. Between 21st March - 4th April students from all classes were busy litter picking in the community, tidying the school grounds and classrooms to make sure everything in the environment was looking beautiful and clean for all to enjoy as well as encouraging students to be more aware of their responsibility in terms of respecting the surroundings.

On behalf of all the staff I would like to wish you all a very Happy Easter. Fingers crossed for sunshine and good weather so that we can all enjoy the holiday and getting outdoors.

Kind
Regards
Alison

You will have seen on Class Dojo that the media group in key stage 5 are now producing a regular newsletter. I am sure you will agree it is informative, allows the reader to know what is taking place in school and is visually a creative success. Well done to the team for all their hard work in compiling and editing the news items, we look forward to many more issues.

Finally Dates for your diary.

Return to school for the summer term – Monday 28th April
Trust Development Day – Friday 2nd May – School is closed
May Bank Holiday – Monday 5th May
Half term – Monday 26th May – Friday 30th May
Sports Day – Wednesday 18th June, all invited
Transition dates Wednesday 25th June and Wednesday 2nd July
Last day of term for Year 14 students – Friday 11th July
Last day of summer term – Friday 18th July
